Principal's Message

Dear Students:

As we come to the end of another school year let me congratulate you upon your many splendid achievements and express my appreciation for your cooperation and earnest endeavor in all of your school activities. Throughout the year you have been ever mindful of your *Code of Conduct;* carrying out each day its key words of honesty, cooperation, courtesy, responsibility, school spirit and sportsmanship—thus enabling you "to leave our school a better place because of your presence."

Because of the tremendous advances being made with missiles and satellites we are urging you to take more mathematics and science courses. Several of our teachers are on leave studying full time at college; others are attending evening classes and workshops. Another forward step is the creating of *Rapid Learner* classes where students may acquire a more thorough knowledge of any subject in which they have a major interest. You have responded admirably to the extra stress placed on you academically and deserve the highest praise from your teachers.

My thanks and appreciation to all of you for making this another successful year at Fair Park. May God bless you and keep you always.

Fair Park 10 — Baton Rouge 19

The Fair Park Indians, in their opening game of the season, unleashed a powerful passing and winning attack against the Baton Rouge Bulldogs and walked off with a 19-10 victory. The Indians' hero was little Danny Fairley, who threw three touchdown passes, with the running of such piston-legged backs as Henry Bernat, Tommy Eisenhauer, and Byron Pipes grinding out vital yardage. The Indians' first T.D. was a 65-yard pass from Fairley to end Jerry Burton. The Indians dropped behind when the Bulldogs scored a T.D. on the kickoff and then threw the tube for a safety. In the third period Fairley dropped back to hit Paul LaBenne and Byron Pipes for two quick T.D.'s, and then dug in on defense to hold the Bulldogs.

Henry Bernat is chased over a muddy field by Minden pursuers.

Fair Park 0 — Bolton 14

The underdog Blue Bears of Bolton High showed the fans what an effective group of Indian fighters they were becoming by beating the Indians of Fair Park by 14-0 in a very close, hard fought, football game. The outcome of the game was no fault of such huskies as Jim Willis and Pat Collins, who played standout ball for four quarters, and shifty little backs like Danny Fairley and Lonnie Harper. The Bolton offense, sparked by Halfback Ronnie Clayton, struck early by taking the opening kickoff and traveling 61 yards for paydirt. There they were stymied by a tough, determined Indian eleven until the last quarter when Clayton again went around the Indian line for the clinching T.D.

It's an anxious moment for the Indians.

Fair Park 0 — Minden 20

Minden's Crimson Tide unleashed a powerful running attack and an impregnable defense to upset the heavily favored Indians of Fair Park by 20-0. Fullback Bob McGlothlin and halfback Lonnie Harper were the bright spots for the home side in this muddy, rainsoaked encounter. Minden scored T.D.'s in every period except the second, while the tribe was trying to muster up anything that looked like an offense. Our boys butter-fingered the pigskin the first four times they came in contact with it, losing it three times. Unfortunately, the Tide was unable to match this fumble record, losing the ball only once.

Burton out-foxes the Rams on a long gain.

Fair Park 7 — El Dorado 14

ElDorado's big, bruising Wildcats, one of the top teams in Arkansas, were put to one of the sternest tests of their campaigns by an equally tough and stingy Indian eleven. The Indians played alert, heads-up ball, led by the likes of little Danny Fairley, Lonnie Harper, and Jerry Burton, but were hampered throughout the game by fumbles in which ElDorado cashed in. The Indians struck first when Fairley dropped back to pass and hit Burton all by himself for a 66-yard scoring play. The tribal defense was just as sharp, holding the Wildcats' vaunted offensive machine well in check with Jerry Burton and Jim Willis shining. The Wildcats struck for T.D.'s in the second and fourth quarters and then held the tribe in its last desperate drive.

Fair Park 7 — Marshall 0

The Indians' stubborn defensive line dug in when the chips were down on the one-foot line, and held Marshall's giant Mavericks scoreless to eke out a hard fought 7-0 victory. After an all-day rain the Mavericks' field was nothing but a sea of mud. This didn't matter a bit to the tribe, which scored with just four minutes left in the first half. Little Byron Pipes climaxed a mighty 82-yard drive by blasting 24 yards through the Mavericks' right side for the T.D. The mighty Indian defense, once warmed up to their duties, was incomparable, and was impossible to distinguish and one man on defense as the whole Tribe team turned in a great unit performance. The offense, sparked by high steppers Lonnie Harper and Byron Pipes, consistently penetrated the Maverick defense all night.

Fair Park 12 — Bastrop 7

Fair Park's Indians, playing just average football, gave Bastrop every opportunity to win, but when they declined the Indians came from behind to take their first District 1-AAA victory by 12-7. The Indians drew blood first when Danny Fairley dropped back to pass and hit end Jerry Burton, who legged it over for a 59-yard scoring. This drive was helped tremendously by the rugged charges of halfback Lonnie Harper and fullback Byron Pipes. The Rams quickly retaliated with a T.D. of their own and went ahead 7-6. At this point the Indians really started to roll, with Tommy Eisenhauer picking up a vital first down that sparked the Indians to their winning T.D. Offensive laurels go to the Indians' Lonnie Harper who rammed for 116 yards in 20 carries and Jerry Burton who grabbed 2 passes for 82 yards and one touchdown.

Fair Park 20 — Ouachita 7

Fair Park's high-pressure Indians again turned on the steam in the second half to whip the Ouachita Lions 20-7 in a terrific 1-AAA battle. The tribal hero for the night was long-legged halfback Paul Labenne who contributed two douchdowns to the Indian effort, one a 75-yard kickoff return and the other a 20-yard pass from Danny Fairley. There were also two ball-hawking Indians the Lions had to put up with in Tommy Terry, who recovered two Lion fumbles which the Indians turned into T.D.'s, and Harold Johnson, who also recovered the loose pigskin twice. The entire first half turned out to be a defensive duel between the two teams, but Labenne's electrifying kickoff return seemed to ignite both offensive machines. Fair Park's last T.D. came as a result of a Lion fumble which the Indians turned into a 57-yard drive with McGlothin getting the honors by plunging over from the one.

Lonnie Harper is snowed under by Bossier "Bearcats" with Bernat and McGlothlin looking on.

Fair Park 12 — Bossier 6

Fair Park's Indians bombed Bossier's Bearcats out of the unbeaten ranks tonight in a spine-tingling, action packed game by the score of 12-6, and, except for a few bad breaks, the Indians would have run the Bearcats out of the stadium. The Indians' star was fullback Bob McGlothin, who churned for 125 yards in 19 carries and scored the winning touchdown. A lot of the credit also goes to the tribal defense sparked by Tommy Eisenhauer, Pat Collins, and Tommy Terry, who held the Bearcats' vaunted Henry Brown and his running mates well within bounds. The first half of the game was mostly Fair Park's as the tribe got the scoring distance twice, but bad breaks stymied the attack. An important pass interception by Eisenhauer also kept the Bearcats from scoring. When the third quarter rolled around the Bearcats scored, which only made the tribe mad. They stormed for two T.D.'s, when a little over three minutes remained in the game, with McGlothin leading the way.

Fair Park 25 — Fort Smith 27

The explosive offensive machine of the Fair Park Indians and the Fort Smith Grizzlies battled it out tonight with the Grizzlies out on the top end of a 27-25 ball game. The Indians drew first blood when Jim Willis blocked a Grizzlie punt and legged it over for the T.D. At the start of the third quarter Paul Lebenne hauled a kickoff back 95 yards for a T.D. Then the Grizzlies scored. The next Indian drive consumed 40 yards with halfback Lonnie Harper getting the T.D. The Grizzlies then scored two more T.D.'s to the tribe's one, and that's the way the game ended. Offensively it was halfbacks Harper and Labenne who carried the brunt of the Indian attack, getting able assistance from fullback Bob McGlothin.

Fair Park 13 — West Monroe 7

The Indians continued their domination of District teams by beating the West Monroe Rebels in a very close, hard fought 13-7 game. Paul Labenne, the Indians' fancy halfback, was the stand-out in both offense and defense. He churned up 87 yards in 14 carries and scored the game's first T.D. on a sensational 20-yard scamper. The Indians' first T.D. came as the result of a 58-yard drive with Lonnie Harper and Paul Labenne churning up most of the yardage. Harper got scoring honors on the next Indian T.D. with a three-yard burst up the middle. The stingy, hard-nosed Indian defense held the Rebels to only 73 yards rushing. The Rebels' Jerry Stovall, leading District scorer, was bottled up beautifully all night.

Fair Park 12 — Byrd 12

An aroused bunch of Byrd Yellow Jackets pushed and shoved the Indians around for three quarters, but fell apart against the Indian last quarter surge, with the game ending in a 12-12 tie. The Jackets scored T.D.'s in the second and third quarters, and it looked as if they might win the game when the Indians started to drive with just seven minutes remaining in the game. Tommy Terry, the Indians' defensive end, got our first T.D. by picking up a fumble and rambling 37 yards. The next T.D. also came as the result of a Jacket fumble with the Indians driving 42 yards for the T.D. The Indians then had to put off a belated Jacket passing attack before being thankful to walk off with a tie.

Jacket finds it tough going through Indian defense.

Fair Park 6 — Warren Easton 32

Warren Easton's Eagles snuffed out what hopes Fair Park had of reaching the state finals by dishing out a 32-6 licking. The Eagle ground attack, geared around the state leading scorer, Pete Ascani, was too much for the Indians to cope with. They rolled for three quick T.D.'s in the opening period and dished out two more in the final stage. The best the Indians could manage in the way of an offense was halfback Lonnie Harper, who gained 55 yards. End Jerry Burton and guard Pat Collins were the standouts of the tribe defense during those two middle periods the Eagles didn't score. The Indians' T.D. drive of 51 yards was spearheaded by Harper and Labenne, with Labenne gathering in one of Danny Fairley's tosses and going over for the score.

Tennis

Fair Park's tennis team of 1958 had a good record with seven wins and five losses. The team showed its spirit at the district meet in Ruston where it won the competition in mixed doubles and boys' doubles. This was a steppingstone to state where Andy Lloyd and Thay Butchee teamed up to take the boys' doubles. Bobby Burton and Thay Butchee, graduating members, will be missed by the team.

Basketball

Although slow starting, Fair Park's basketball team caught fire in the last half of the 1958-59 season to win the Fair Park tournament, take second place in District I-AAA play and advance into the state playoffs at New Orleans.

With seniors Lopez, Smith, Burton, Chaney, Allen, and Woodson setting the example, the team did not let the early season losses break their spirit. Coach Clem Henderson's scrappers flashed into brilliance at their own tournament, beating Ebarb, Doyline, and Minden in succession after all three games were tied at halftime. The stunning upset victory over Minden in the finals served as a birthday present for Coach Henderson.

That gave the Indians all the encouragement they needed. They took second place in district standings with a 55-54 victory over arch-rival Byrd on a goal by Lopez in the last ten seconds.

More than 200 students followed the team to New Orleans for its playoff game with powerful Fortier, and the Indians responded with a valiant last-half rally although they lost the game by a 74-62 margin. That set the season record at 19 victories and 17 losses, an outstanding record for a team not rated among the top teams throughout the season, and especially for a team without one starter over six feet tall.

FIRST ROW: Linus Lopez, Jerry Burton, O'Brian Smith, Ralph Allen, Paul Labenne, Dickie Woodson, Phillip Carney. SECOND ROW: Donnie Carroll, James Johnston, Gerry Mullins, Richard Moore, Charlie Johnson, Dean Bounds, Robert Watson.

The Indian cinder squad came home first in the Haynesville Invitational meet, and on four other occasions captured the runner-up position. In the state meet, the Tribe came through with a third place trophy, and second in the district. The top pointmaker for the Indians was Jumping Jerry Dyes, who tallied fifteen points per meet, and All-State miler Wayne Olds notched several impressive victories.

The work-horse of the pitchers was Ronnie Ruth with a won-lost record of 6-3. One of the more outstanding games pitched by Ronnie was a no-hit game against city-rival St. John's.

Mardi Gras

The setting of hearts, cupids, and roses enhanced the Valentine theme throughout the 1959 Mardi Gras presentation.

The royal procession began with the entrance of the Lords and Ladies. The Ladies presented a delicate appearance in their white lace gowns finished with wide red sashes. Her Majesty, Queen Nancy Pickard, wore a billowing lace gown. A festive dance in the gymnasium climaxed the evening.

Decorations were designed and created by the art department. The music department and the girls' physical education classes provided the evening's entertainment. The production was under the supervision of the Honor Legion.

Pelican Girls' State

Fair Park's eleven Pelican Girls' Staters spend ten days in Baton Rouge experiencing becoming the forty-ninth state. Representing Fair Park in the summer before their senior year, this group is selected annually by the faculty.

The delegation of Pelican Girls' Staters has the opportunity of observing the Louisiana State Legislature in session, thus gaining additional knowledge of this and other phases of governmental work.

Becky Musgrave was elected to the state office of Registrar of State Land last year.

Initiative, leadership, abilities, scholarship, and personality are basic requirements for selection of Fair Park's twelve Pelican Boy Staters. Chosen during their Junior year, these boys do not become active members until the following summer and senior year.

Pelican Boys' State delegates spend ten days in Baton Rouge on the Louisiana State University campus learning the fundamentals of local, parish, and state governments. Together with representatives from other high schools throughout Louisiana, these boys form and operate, by electing their own officials, the mythical forty-ninth state that has been named "Pelican State."

Officers and Sponsors Club

Officers of the Officers and Sponsors Club are: President Cadet Colonel Ralph Allen; Vice-President, Sponsor Captain Lynda Jeter; Secretary, Sponsor Major Becky Fisher; and Treasurer, Cadet Captain Barton Glass. Meetings are held every second and fourth Wednesday mornings at 7:45. The purpose of these meetings is to discuss the procedure of the parades and all general information needed during the week, such as drills and inspection methods. The club also forms a closer relationship and understanding among the officers, sponsors, and instructors.

Something seems amusing to Sponsors Lucille Bradford and Mary Wissing.

The Dixie Drill Platoon marching in the Rex Parade in New Orleans.

The Dixie Drill Platoon has been a familiar sight around Shreveport since its organization in 1954.

This voluntary unit, consists of ROTC members who are willing to devote extra time to the platoon by practicing before school throughout the school year. Hours of drill and practice make this group precision artists with M-1 rifles.

The Drill Platoon annually attends Mardi Gras in New Orleans, marching in the famous Rex Parade. They perform locally in the Holiday in Dixie Parade, and serve as a welcoming committee for distinguished visitors to our city.

CODE OF CONDUCT

In any situation involving a number of people, the majority will gradually accept certain standards of behavior. These standards, or codes, are those principles which enable the group to exist and work together in harmony. In order to attain a higher level of student behavior, we, as students of Fair Park High School should . . . REMEMBER . . .

HONESTY is that quality of good living that enables one to have a clear conscience.

COOPERATION is working together in such a way that everyone is given an opportunity to express his ideas in achieving a final goal.

COURTESY is the way of showing respect for others that causes them to have a feeling of belonging.

RESPONSIBILITY is the charge of duties that all Fair Park Students should accept and execute to the best of their ability.

Student Council members operate the concession stand during basketball season.

SCHOOL SPIRIT is a unified feeling of pride in our school.

SPORTSMANSHIP is the attitude of friendliness and fair play that we show in our relationship with others.

WE SHOULD WORK TO LEAVE OUR SCHOOL A BETTER PLACE BECAUSE OF OUR PRESENCE. IN STRIVING TO DO THIS, WE SHOULD ASK OURSELVES:

IS IT MORALLY RIGHT?

IS IT FAIR OTHERS?

IS IT DONE IN A SPIRIT OF FRIENDLINESS AND UNDERSTANDING?

For the past year, the task of putting words and pictures together to form the 1959 Sequoyah has been performed by the people pictured here—the Sequoyah Editorial Staff. Activities Editor Judy Nettles handled all details of the club section, planning write-ups, picture schedules, and layouts for the organization pages. Class Editor Sally Worrell worked closely with Milburne's Studio in planning and preparing the class pages. Sports Editor Skipper Smith, with the aid of the Athletic Department, compiled the Athletics Section. Faculty Editor Armenta Hammack worked with the faculty members in gathering information and scheduling their pictures. Feature Editor Betty Yancey directed work on the sections containing Beauties, Favorites, Mr. and Miss Fair Park, and Mardi Gras. Staff Photographer Jerry Kircus performed the task of "shooting" those very necessary pictures.

Working under the direction of their sponsor, Miss Sammie Banks, Editor-in-Chief Sherry Lester and her staff learned the fundamentals of photography, journalism, and layout work. Trips to the publishers in Dallas and the annual journey to Baton Rouge for the L.S.P.A. Convention provided additional chances to learn. Then countless hours in Room 310 finally resulted in this Sequoyah.

Publishing company's advisor, Miss Banks, Sherry Lester, Betty Yancey, and Sally Worrell began planning book in Dallas in May last year.

Manager Patsy Mauldin makes assignments to Staff members, Carolyn White and Lynda Haynes.

Under the direction of faculty sponsor, Mrs. Daisy Isgett, and manager, Patsy Mauldin, the Ad Staff helps to defray the expenses of the Sequoyah. Each of the fourteen girls on the staff works individually contacting local business firms for the purpose of selling advertising space. Dependability, courtesy, and cheerfulness, blended into an attitude of poise is a large part of the responsibility of these girls. They are chosen each year by Mrs. Isgett on the recommendations of other teachers.

The work performed so willingly and efficiently by the members of the Ad Staff is responsible to a large degree for the possibility of a successful year-book each year.

Sequoyah Circulation Staff

The Sequoyah Circulation Staff, under the direction of Mrs. Norma Jean Brown, assumes the responsibility of promoting the circulation of the yearbook within the student body. Members of the staff, who are chosen by the sponsor, are senior girls. One junior is selected to train as manager for the coming year.

Manager Sandra Keys and her assistant Pauline Leadaman spend much time and effort in tallying and balancing collection. Each girl must keep accurate records of money collected and the number of copies of the book that have been sold. This staff must also distribute the yearbooks to the student body.

As the Pastels' accompanist, Elaine Sistrunk finds it necessary to be able to play virtually every type of music, from classical through popular. Exercising their versatility, the girls sing for Chapel services, for school functions, and for various civic organizations in this area.

An old organization with a new title, the Mathematics Club decided this year to adopt a new name in honor of Euclid, the "Father of Geometry."

In their meetings the club members try to learn more about math, its history and its practical uses. This is accomplished through reports, problem solutions, and guest speakers.

Because all the members of the Circle enjoy mathematics, they enjoy each other tremendously, making this a very congenial group. A trick problem, cleverly presented and enthusiastically solved, is fascinating fun for this rather unusual club.

Caring for the equipment and projecting film and slides are the boys' responsibilities, while the girls tend to innumerable secretarial duties. This club, under the direction of Mrs. Mason, performs many valuable services for Fair Park.

Through co-operation from every individual the Audio-Visual Aids Club achieves its purpose of aiding in the instruction of many courses.

FAIR PARK GRADUATES

long have been among the outstanding students at Centenary College and have gone on to make their names in the industrial, business and professional life of Shreveport and Ark-La-Tex.

The Morehead Memorial Concourse

One of the many quiet beauty spots on the campus of Centenary College is the Morehead Memorial Concourse, where students may pause to reflect on the traditions and persons figuring so prominently in the long, proud history of the college. The white-colonnaded Science Building is shown in the background.

Editor's Message

Now the 1959 Sequoyah is completed and is where it belongs—in your hands. Now, with work on this book finished, we have one thing left to say—thank you.

First, a thank you to our task-mistress, our friend, and our Sponsor, Miss Sammie Banks. Without her patience and her untiring work we would never have made it. Miss Banks, we thank you.

Next we want to thank Mrs. Norma Jean Brown and her Circulation Staff, and Mrs. Daisy Isgett and her Business Staff. We appreciate their hours and hours of planning and work more than we can say. Thank you, all of you.

Then there is Mr. Cobb—dear Mr. Jimmy Cobb, who taught us, bolstered us, and, when the need arose, got behind us and pushed us. To Taylor Publishing Company in general, but to Mr. Cobb in particular, we remove our hats in a heartfelt thank you.

We will always remember Milburne Alfred, our photographer, and his family for their excellent work, and even more, for their friendship. Milburne, Mrs. Alfred, Aunt Jean, and Wayne, thank you so very much.

Each member of the Editorial Staff deserves a medal of honor for a job diligently and well done. To our graduating editors, Sally Worrell, Judy Nettles, and Skipper Smith, and to student-photographer, Jerry Kircus, a salute and a tremendous thank you. To Junior editors, Armenta Hammack and Betty Jean Yancey, a thank you and a good luck wish for next year. And to our clerks, Ann Matthews, Louise Pearce, Kay Burford, and Brenda Tubbs, a special thank you for all the stairs climbed and errands run. To every one of you, a very inadequate, but no less heartfelt, thank you.

Another thank you goes to Mr. Herron, Mrs. Murphy, Mr. Turner, and all the Office Staff for their time, their patience, and their cooperation. Thank you all, nice people.

Last, but far from least, thanks to the faculty and to the students. Without you, the characters in our book, there would be no Sequoyah. Your support and your cooperation are certainly appreciated. Thank you, everyone!

Simon,

I know that you don't exactly know me too well, but I know you quite well. I think you are a very nice boy, and if you stay that way, you will always have lots of friends. I don't know what to say except good luck, because you'll need it. I hope you succeed in everything you do. you certainly deserve the very best out of life. I hope that you and I will get to know each other better and be friends. I've enjoyed going to the same school with such a sweet boy. I hope that you will remember me in the future, because I'll certainly remember you. I wish you all the happiness that life has to offer.

always a friend

Simon,

I could address you as 'Rev' but that does not sound right to me, for to me you will always be Simon. When I hear that name a mental picture as clear as that of my own hand runs through my mind. I know the structure of Simon physically and in many other ways and yet I do not know it completely for the things you do and say fascinate me from time to time. I suppose that time is very near when we will have to leave the abodes of our mothers and go to seek our fortune and perhaps our fame in our own way without leaning upon the supporting shoulders of others. As you and I toil over that ancient journey of life I am sure that obstacles of all sorts and all kinds will get in our way but knowing you as I do I feel very confident that you will move, go under, or over, or in some way get around these obstacles, for one such as you can not be stopped. As for living with you this past year, I am glad to have done so, perhaps I did not do the things or feel the way I would had I been living with my own family, but I feel that I have learned a good lesson; and I like to learn. Perhaps it was trying to you and the others at times but do you not think that it was the same for me sometimes, but I was on defensive ground and I should have been, and had no right to be otherwise. But now I am glad... Only time can show what you and I will be as the many future years roll pass but let us always be invincible friends as we are now. I will stop writing now, besides these mere words can not express that which is my thoughts — So I say to Simon - Go with greatness, my greatest friend.

Until the end of time
